Electric water heater information:

Efficiency Factor (EF): _____ Model: _____

Serial Number: _____

Capacity in Gallons : _____

I understand and agree that MTEMC is providing a credit on my electric bill for the installation of an electric water heater at the above address. In return, I agree to install said water heater at the above installation address and to allow an MTEMC representative to verify the installation. (In the event said water heater is not installed at said installation site, the participant agrees to pay back the incentive amount through the electric account billing.)

MTEMC makes no express or implied warranties or representation whatsoever concerning the fitness, suitability or condition, and MTEMC expressly disclaims any such warranties or representations. Any warranties or guarantees relating to the installation of the water heater are limited to those provided by the contractor installing it or by the manufacturer.

Note: You must submit your signed and dated original receipt for the water heater with this agreement in order to receive your credit, and the agreement must be submitted within six months of the date on the receipt to receive the credit. A copy of your receipt can be provided for your records.
